The Change

Something To Burn

Thought that I was strong
I know the words I need to say
Frozen in my place
I let the moment slip away
I've been screaming
On the inside
And I know you feel the pain
Can you hear me?
Can you hear me?
Oh...
Say it's over,
Yes it's over
But I need you anyway
Say you love me but it's not enough
Never meant to lie
But I'm not the girl you think you know
The more that I am with you
The more that I am all alone
I've been screaming
On the inside
And I know you feel the pain
Can you hear me?
Can you hear me?
Oh...
Say it's over,

Yes it's over
But I need you anyway
Say you love me but it's not enough
Not that I'm so different
Not that I,
Don't see the dying light of what what we used to be.
But how could I forgive you?
You've changed!
And I'm a liar by your side
I'm about to lose my mind!
'Cause I've been screaming
On the inside
And I know you feel the pain

Can you hear me?
Can you hear me?
Oh...
You've been dreaming
If you're thinking
That I still belong to you
I've been dying,
'Cause I'm lying to myself!
Oh...
Say it's over,
Yes it's over
But I need you anyway
Say you love me but it's not enough
