

Broken Arrows (feat. Zac Brown Band)

[Avicii](#)

You stripped your love down to the wire
Fire shining cold alone outside
You stripped it right down to the wire
But I see you behind those tired eyes Now as you wade through shadows that live in your heart
You'll find the light that leads on
'Cause I see you for you and your beautiful stars
So take my hand, don't let go 'Cause it's not too late, it's not too late
I, I see the hope in your heart
And sometimes you lose it, sometimes you're shooting
Broken arrows in the dark
But I, I see the hope in your heart I've seen the darkness in the light
The kind of blue that leaves you lost and blind
The only thing that's black and white
Is that you don't have to walk alone this time We have to tear down walls that live in your heart
To find someone you call home
Now you see me for me and my beautiful scars
So take my hand, don't let go 'Cause it's not too late, it's not too late
I, I see the hope in your heart
And sometimes you lose it, sometimes you're shooting
Broken arrows in the dark
But I see the hope in your heart Oh It's not too late, it's not too late
I see the hope in your heart
Sometimes you're losing, sometimes shooting
Broken arrows in the dark
Oh
