Breakthrough

Atomic Rooster

An invisible prison encircles my mind
I wait for a vision, I search for a sign
An invisible prison is built around me
There may be a God but there isn't a keyI gotta break-out, I have to be free
I gotta break-out, it's stifling me
Help meI gotta make a breakthrough
I gotta make a breakthrough
I gotta make a breakthrough
I gotta make a breakthrough nowI must find a way, I must find a way
I must find a way out of hereAn invisible prison, I cannot escape
With walls I can't see, with walls I can't break
An invisible prison, how can I be free?
There isn't a God, for the jailer is meI gotta break-out, I have to be free
I gotta break-out, it's stifling me
Help meI gotta make a breakthrough
I gotta make a breakthrough
I gotta make a breakthrough
I gotta make a breakthrough nowI'll find a way, I must find a way
I must find a way outta here
There's got to be a way, yeah, there's got to be a way
There's got to be a way on outta here, babe, yeahI can't find the way, I can't find the way
I can't find the way outta here
There must be a way, there must be a way
There must be a way outta hereLet me out, let me out, let me out pleaseOh, there must be a way, there must be a way
There must be a way outta here
