

Doot Doot

Just a Band

You said hi can we run away
I said no and walked away
You smiled so nice you said my name
I took the car and far away
You can have my lips and the sun so bright
You can see me let's be real You said hi will you be my friend
You can see me let's be here
Dancing in the sunlight
You said it'll be alright
Dancing in the moonlight
Everything will be just fine(1-2-3-4)
I fought so hard to be like them
I have kept secrets of deals I've seen
You have no friends you're just like me
You can see me let's be real Dancing in the sunlight
You said it'll be alright
Dancing in the moonlight
Everything will be just fine(1-2-3-4) Dancing in the sunlight
Dancing in the moonlight
Dancing in the sunlight
Dancing in the moonlight
Dancing in the sunlight
Dancing in the moonlight
Dancing in the sunlight
Dancing in the moonlight
