

Would You Do the Same

Pastor Tim Rogers

If I were you,
and you were me...
Would I have agreed to take nails in my hands and feet?
And let them pierce my side?
And people still deny,
that I Am the Great I Am Lord crucified.
Would I have looked up to my father and said,
for they know not what they do?
Would I have asked him to forgive the ones,
who slain me through and through? Would you do the same for him?
Would you take the blame for him?
Would Take the price for him?
Give up your life for him?
Would you give up your son for him?
Pay a debt you did not owe?
Would you do the same for him?
Would you do the same,
The same for our king? If I were you,
and you were me...
Would I have agreed to take nails in my hands and feet?
And let them pierce my side?
And people still deny,
that I Am the Great I Am Lord crucified.
Would I have looked up to my father and said,
for they know not what they do?
Would I have asked him to forgive the ones,
who slain me through and through? Would you do the same for him?
Would you take the blame for him?
Would Take the price for him?
Give up your life for him?
Would you give up your son for him?
Pay a debt you did not owe?
Would you do the same for him?
Would you do the same,
The same for our king? The same for our king (3x) Oh, He didn't have to do it but he did (6x) Oh (4x) Would you
do the same for him (4x)
Would you take the blame for him (4x)
Pay the price for him (4x)
Give up your life for him (4x)

Give up your son for him (4x)

Pay the debt for him (4x)

Would you do the same for him If I were you and you were me, yeah
