

# My name is James (Demo)

Randy Newman

My name is James  
That's what mother called me  
My name is James  
So it's always been Sometimes I forget  
When I'm lonely or afraid  
Then I'll go inside my head  
And look for James There's a city that I dreamed of  
Very far from here  
Very, very far away from here  
Very far away There were people in the city  
And they come to me  
But it's very, very far away you know  
Very far They'll say James, James, James how are ya?  
Isn't it a lovely day?  
James, James, James  
We're so glad you came here where we are  
From so very, very, very far My name is James, James, James
