

# Set it Off

## Nicki Minaj

(Nicki Minaj)

You was on stage but ya brain on drugs  
nick nack carry crack what my nick name was  
and when you was in the hood with bottles of OE  
i was OT lookin real low key  
i do a strip tease if the cops stop me  
a pair of guess jeans and some beef and brocolies  
i was at the rucker i was sippin on a smucker  
i was rockin hats that was made for the truckers  
thats when i hopped out the pink on pink  
hate it when a bitch act like her shit dont stink  
see you was drippin wet you was jumpin in the crowd  
i was in a jet i was swervin through a cloud(Nicki Minaj)  
time machine bitches always talkin bout the old days  
when they was hot when they was tourin with the O Jays  
i tell a bitch this im not impressed bitch  
im Nicki M. trick im always n the guest list  
im on my way to Rikers Island with a couple hard  
im on a bike; nine five four double R  
and they don't right shit they might write a couple bars  
thats why they gettin dropped dropped like in couple cars  
(you shouldnt have said that)  
NY to NO  
late night shows like lettermen and lenno  
anyway you cut it or slice you're garbajj  
white boys tell me that i rock like guitars
