Letting Go

Steffany Gretzinger

You've brought me to the end of myself
And this has been the longest road
Just when my hallelujah was tired
You gave me a new song

I'm letting go, I'm letting go
I'm letting go, and falling into You

I confess I still get scared sometimes
But perfect love comes rushing in
And all the lies that screamed inside go silent
The moment You begin

You remind me of things forgotten
You unwind me until I'm totally undone
And with Your arms around me
Fear was no match for Your love
Now You've won me
