

# The Girls I Go With

[Kevin Fowler](#)

This old '85 Chevrolet damn sure seen better Days  
But it still get's me down the Road  
The same old Job I had, for 15 year  
No it ain't so bad  
The Hours are long and the Pay is low Yeah but it's Good enough for the Girls I go with  
The Kind that don't mind that I ain't rich  
The ones that don't need all that fancy Stuff I know it looks like I ain't got a lot  
But I'm a damn good Man and I work hard  
Yeah Lord knows that's good enough  
For the Girls I go with Three Girls at home and one good wife  
Can't complain it's a real good Life  
Yeah we got all we could ever want And this old run down House  
Ain't much to brag about  
But our Love makes this House a Home(3x)  
Yeah but it's Good enough for the Girls I go with  
The Kind that don't mind that I ain't rich  
The ones that don't need all that fancy Stuff I know it looks like I ain't got a lot  
But I'm a damn good Man and I work hard  
Yeah Lord knows that's good enough  
For the Girls I go with For the Girls I go with For the Girls I go with
