

# Which Bridge to Cross (Which to Burn)

Vince Gill

I've got two loves in my life now  
A true love and one that's brand new  
I'm not really sure that I know how  
To love one and tell one we're through I can't sleep at night, I toss and I turn  
I keep losing sight of lessons I've learned  
I'm standing at the crossroads with just one concern  
Which bridge to cross and which bridge to burn I knew this was wrong, I didn't listen  
Cause a heart only knows what feels right  
Oh I need to reach a decision  
And get on with the rest of my life I can't sleep at night, I toss and I turn  
I keep losing sight of lessons I've learned  
I'm standing at the crossroads with just one concern  
Which bridge to cross and which bridge to burn
