Nobody

Shawn Desman

Oh, ya ya ya ya ya
When I think about my baby
I think how lucky I am
To have somebody who can love me
Love me for who I am
Girl, for me you're just so perfect
Just the way you are
And don't matter where you go from here
You always have my heart
And I realize what I got
So I'ma never take it for granted girl
And no matter how far away
I will stay true to you, yeah
'Cause I don't want to kiss nobody
If I can't be kissing you
(If I can't be kissing you)
And I don't want to hold nobody
If I can't be holding you
(If I can't be holding you)
If I can not hold you girl
Don't want nobody else, no
There ain't to much I believe in
But I believe in us girl
In this crazy world we live in
And I know in you I can trust
What I won't do is go and mess this up
Honestly, I can't see me without you by my side
And I realize what I got
More than ever now
No matter how far way
I will stay true to you, yeah

'Cause I don't want to kiss nobody
If I can't be kissing you
(If I can't be kissing you)
And I don't want to hold nobody
If I can't be holding you
(If I can't be holding you)
(You want love baby)

Come take it
(Your heart)
You know I won't break it
(Feels like)
I'm walkin' on air
I can't be, live your mine
All mine, baby girl, all mine
'Cause I don't want to kiss nobody
If I can't be kissing you
(If I can't be kissing you)
And I don't want to hold nobody
If I can't be holding you
(If I can't be holding you)
'Cause I don't want to kiss nobody
If I can't be kissing you
(If I can't be kissing you)
And I don't want to hold nobody
If I can't be holding you
(If I can't be holding you)
I just wanna spend the rest of my life
The rest of my life
And if I can't have you baby
Then I don't want, nobody
