

If I Was Your Woman / Walk On By

Alicia Keys

Eh, yo Mo Bee
Drop it on me

If I was your woman
And you were my man
You'd have no other woman
You'd be weak as a lamb
If you had the strength
To walk out my door
My love would overrule my sense
And I'd call you back for more

If I was your woman
If I was your woman
If I was your woman
If I was your woman
And you were my man

Yeah
She tears you down darling
Says you're nothing at all
But I'll pick you up darling
When she lets you fall
Cause, you're like a diamond
But she treats you like glass
Yet you beg her to love you
But me you won't ask

If I were your woman
If I was your woman
If I were your woman
If I was your woman
If I were your woman
If I was your woman
Here's what I'd do (What would you do?)
I'd never no, no, no stop loving you
Yeah, yeah!

Life is so crazy
And love is unkind

Because she was first, darling
Will she hang on your mind
You're a part of me
But you don't even know it
I'm what you need
But I'm too afraid to show it

If I were your woman
If I was your woman
If I were your woman
If I was your woman
If I were your woman
If I was your woman
Here's what I'd do (Whatchu do?)
I'd never, no, no, no stop loving you

If I were your woman
If I was your woman
Here's what I'd do (Whatchu do?)
I'd never, never, never stop loving you

If I were your woman
If I were your woman
If I were your woman
If I were your woman
If I were your woman
If I were your woman
