

Lady Of Winter

Crimson Glory

Her wraith rides the crystal sky
Of changing colors
The glowing clouds are moving through
The winter night
Snow is falling silver shining
Through the shadows deep blue dreaming
Eyes of diamond shine Lady of winter, turning to rain
White world of wonder, fading away Bright beams of violent light
Break the silence
Melting colors crushed beneath the waves
Of rolling flames
Seasons turning, burning burning Lady of winter, song in the wind
Melody whispers, seasons will change
