

Bang Bang Bang (Stripped)

The Virginmarys

Sunset rests on the dirty road,
The clocks stop dead and the sky explodes,
Im bloodshot red, Im feeling fine
Take that gun girl and blow my mind.Boredom shaking idol hands,
Making friends with the high demands,
Brainwashed minds to slave in hell,
Ive got them blues when you play me well.TV teach me all I know,
To live in fear, to stay at home,
Baby save me no more time,
Take that gun and blow my mind.Bang bang bang
