

49 Bye-Byes

Crosby, Stills & Nash

Forty nine reasons
All in a line
All of them good ones
All of them lies Driftin' with my lady
We're oldest of friends
Need a little work
And there's fences to mend Steady girl, be my world
'Til the drifter come, now she's gone
I let that man play his hand
I let them go, how was I to know?
If I'm down on my knees, nobody left to please Now it's over
They left in the spring
Her and the drifter
Looking for beautiful things Steady girl, be my world
'Til the drifter come, now she's gone
I let that man play his hand
I let them go, how was I to know?
I'm down on my knees, nobody left to please On my knees
Feeling wrong
Mama's gone, oh Bye-bye, baby
Write if you think of it maybe
Know I love you
Go if it means that much to you Hey, but you can run, baby
If the feeling's wrong before too long it's crazy
And you're trapped, babe
And you know that's not where it's at, baby
You're just seein' things through a cat's eye, baby That's not my old lady
Come on and tell me, baby
You better tell me, baby
Who do you? Who do you love? Time will tell us
Who is trying to sell us
Bye-bye, baby
Write if you think of it maybe Hey, but you can run, baby
If the feeling's wrong before too long it's crazy
And you're trapped, babe
And you know that's not where it's at, baby
You're just seein' things through a cat's eye, baby That's not my old lady
Come on and tell me, baby
You better tell me, baby

Who do you? Who do you love?
