

# Bye And Bye I'm Goin' To See The King

Blind Willie Johnson

I said bye and bye I'm going to see the King  
Bye and bye I am going to see the King  
And I don't mind dying, I'm a child of God I said bye and bye I'm going to see the King  
Bye and bye I am going to see the King  
And I don't mind dying, I'm a child of God You know after death,  
you have got to go by yourself  
And I don't mind dying, I'm a child of God I said bye and bye I'm going to see the King  
Bye and bye I am going to see the King  
And I don't mind dying, I'm a child of God Bye and bye I will hear the angel sing  
Bye and bye I will hear the angel sing  
And I don't mind dying, I'm a child of God You know after death,  
you have got to stand your test  
And I don't mind dying, I'm a child of God I said bye and bye I'm going to see the King  
Bye and bye I am going to see the King  
And I don't mind dying, I'm a child of God
