

Somebody Told You

Irma Thomas

[Chorus]

Somewhere somebody sayin' this somebody sayin' that, but never a fact
Somebody told you I was playin' for a fool

Somebody told you, that I was untrue

They keep you guessing, where I'm at? [Chorus]

Somebody told you I was running around

Somebody said when Mr. Brown across town

If you don't see a shark, you might be flat [Chorus]

Why, why, why you except those lies, wake up be smart

Open you eyes,

If you keep on listening at 'em, I know you'll see

They'll convince you 1 and 1 is 3 [Chorus]

Somebody told you, I was running around

Somebody said, when Mr. Brown across town

If you don't see a shark, you might be flat [Chorus: x4]
