

Bad Girl's World

Halestorm

They all say I lost my mind
And I'm just tryin' to find a better way
'Cause somewhere in the sea of fools
The real truth is they're scared because you're brave
You'll be okay if you be yourself for no one else
They'll hate you cause you're beautiful
So blaze the trail that no one can
'Cause they'll never understand
That we live in a bad girls world, bad girls' world, bad girls
And we're runnin' a bad girl's world, bad girl's world, bad girls
We're livin' a bad girl's world, bad girl's world, bad girls
We're runnin' a bad girl's world, bad girl's world, bad girls
All you rebel babies
And you pretty thing with the dirty mouth
Tell 'em, tell 'em, tell 'em, tell 'em
Tell 'em to change it
And we will never back down
This is our house now
If you be yourself for no one else
They'll hate you cause you're beautiful
So blaze the trail that no one can
'Cause they'll never understand
We live in a bad girl's world, bad girls' world, bad girls
We live in a bad girl's world, bad girls' world, bad girls
We live in a bad girl's world, bad girls' world, bad girls
We runnin' a bad girl's world, bad girls' world, bad girls
If you be yourself for no one else
They'll hate you cause you're beautiful
So blaze the trail that no one can
'Cause they'll never understand
That we live in a bad girls world, bad girls' world, bad girls
We're runnin' a bad girl's world, bad girl's world, bad girls
We're livin' a bad girl's world
We're runnin' a bad girl's world, bad girl's world, bad girls
