Groundation

Ya mighty, ya mighty, ya mighty soul! Ya better lift up
They mighty, they mighty, they mighty souls! Until their sight be long there shall be crying in heaven
They might be hungry, they might be starving in Delion
Oh ooh well, well yeah Oh ooh why, why Jah (4x) Man say... ya mighty, ya mighty, ya mighty soul! Ya better lift up
Ya mighty, ya mighty, ya mighty thought! Weeping souls they know them not
Upon him bridge they will on day call Water rights shall site they chant in the people too but they na see, na see
In a de valley the cars come from east, west, north, and south unto the mighty street
I see them...
Ya might, ya mighty soul! Better lift up
Ya mighty, ya mighty, ya mighty soul... yeah Up in a de valley... the stone... ring around them Jah
In in of their continuance they shall see Wearing the mark of the Almighty!
Wearing the mark of the Almighty!
Wearing the mark of the Almighty!
Wearing the Mark of the Almighty!
Me ya, ya, ya, yo
Me ya, ya, ya, yay (2x) My Love I bring...
My heart and soul too (2X) Ya mighty, ya mighty, ya mighty souls! Ohh!
Ya mighty, ya mighty soul Jah... Oh Jah... Life
Throw lightning stone upon them soul!
They might see Jah upon them road!
They feel the weight, upon the wind of them soul
They might seek the day Jah they might seek the soul
Oh man de are following, following, gathering heading for the night
I still pray from this day on forward that man shall come to
and see, and see enough to unit them Ya, ya, ya better divide, ya better converse
You better find the answers for birth, oh!
We all are singular hear man they shall know the only way
The only one to know... only one to see...
And know... the only one who ever could see...
