Running Blind - Transformer Remix

[t.A.T.u.](#)

Reaching for you
I know you're out there somewhere
It's too dark, I'm so cold
I know I had to come hereEvery broken dream
That I leave behind
Keeps me going on
Keeps me running blindCalling your name I hear only echoes
Searching the rain I see only shadows
You've got to show me your face
Voices I hear them calling behind me
Phantoms of you are burning inside me
You've got to give me a signFading, slowly
You're drifting into darkness
I can't see I can't think
I need to keep on searchingEvery memory
Every thought of you
Is inside of me
Tells me what to doCalling your name I hear only echoes
Searching the rain I see only shadows
You've got to show me your face
Voices I hear them calling behind me
Phantoms of you are burning inside me
You've got to give me a signCan you hear me?
Am I only wasting time?
Are you near me?
Are you only in my mind?
Are you are you?Calling your name I hear only echoes
Searching the rain I see only shadows
You've got to show me your face
Voices I hear them calling behind me
Phantoms of you are burning inside me
You've got to give me a sign
