Summer Rain

I Blame Coco

I will not become hostile to the world that we live in
I will not be done into the ultimate
And here I am for the killing
The sacrifice is on my handsTurn your back on love
You turn your back on me
If you turn your back on loveSo don't forget these times
I'm gonna find you in the back of my mind
Don't forget these times
I'm gonna get you if I tryYou turn your back on love
You turn your back on meAnd we've fallen from disgrace, and I am proud
We parted our own ways, when you walked out
These fingers, they never linger on
Now I'm laughing with my laces tied
And you're walking a thousand milesYou turn your back on love
You turn your back on me
If you turn your back on love
You turn your back on meGet your body to rise
Just to my surprise
You turn your back on loveSo don't forget these times
I'm gonna find you in the back of my mind
Don't forget these times
I'm gonna get you if I trySo don't forget these times
I'm gonna find you in the back of my mind
Don't forget these times
I'm gonna get you if I tryTurn your back on love
Turn your back on me
You turn your back on me
You turn your back on meSo don't forget these times
I'm gonna find you in the back of my mind
Don't forget these times
I'm gonna get you if I trySo don't forget these times
I'm gonna find you in the back of my mind
Don't forget these times
I'm gonna get you if I tryTurn your back on love
You turn your back on me
