Keke Palmer

If my life was written down on paper
You'd be the precurser
And I'd erase you out
There would be no need to read no further
We would have no future
Because i would just cut you outLoving you's what set the scene (edit)
I made you a star (edit)
I gave you my heart (edit)
Right from the start if i could rewrite the theme (edit)
I'd rework your part (edit)
I'd redraft my heart (edit)
Reclaim the leadif i could redo I'd edit you (edit)
I'd edit you right out out of my life, no time for take two(edit)
I'd edit you I'd edit you right out out of my life (edit)Edit you out of my life my life my life my life (edit)x4Some might say it's just as good as Shakespeare
Look at what we have here
A perfect tragedy hey your
Performance aint much to write home bout
Take your que and bow out love won't be the death of meLoving you's what set the scene (edit)
I made you a star (edit)
I gave you my heart (edit)
Right from the start if i could rewrite the theme (edit)
I'd rework your part (edit)
I'd redraft my heart (edit)
Reclaim the leadif i could redo I'd edit you (edit)
I'd edit you right out out of my life, no time for take two(edit)
I'd edit you I'd edit you right out out of my life (edit)
