Hot Boy

Wara From The NBHD

What they do?
You?s a motha*** hot boy
I can be your hot girl
Lemme set your body on fire
What they do?
You?s a motha*** hot boy
I can be your hot girl
Lemme set your body on fire, fire
I can cook a steak up
While you hook up a stake out
And I?ll sit in the passenger side
And let?s ride
And I can fix my make up
While you sleep on ya Jacob
Now that?s just what I call perfect timing
And yes, I?m
I?m ho-ho-hot girl
I?m in need of a ho-ho-hot boy
Got a spot locked down, it?s absurd
You and me get together, the block would just burn
So set my body on fire why don?t you just
Get with me, I?m on fire, I?ll burn you up
So hot, you makin? me feel so hot
In the third degree
What they do?
You?s a motha*** hot boy
I can be your hot girl
Lemme set your body on fire
What they do?
You?s a motha*** hot boy
I can be your hot girl
Lemme set your body on fire, fire
Fire, I?m burnin? up 'cuz
What they do?
You?s a mutha*** hot boy, hot boy
Fire, you get me hot 'cuz
What they do?
You?s a motha*** hot boy, hot boy
While you gettin? froze up

I?ll go hook my clothes up
Know you like what you seeing
Fit the jeans you put me in
Thugged out, that?s how I like it
You stay g?d up
I?m-a always be down
You can put ya feet up
I?m a hot, hot girl
I need a hot, hot boy like you
Tell me what we gon? do
Don?t you see how you get me now
I?m catchin? a fever
Boy, just pull ya sleeves up
And gimme what I need now
Set my body on fire why don?t you just
Get with me I?m on fire, I?ll burn you up
So hot, you makin? me feel so hot
