

Damone (Live at Provinssirock 17.6.2000)

Deftones

You're so sweet
Your smile
Your pussy and your bones
You're on fire
You move me like music
With your style Let me think (about what?)
About girls (and what else?)
And money
And new clothes (and what do I do?)
Thirty nights of violence (uh-huh?)
And sugar to love Closer to the lung so
Shove her over railing You're sweet, but I'm tired
Of proving this love
You're a bore
But you move me
Like a movie
That you are Let me think (think about what?)
About girls (and what else)
And money and new clothes (and what do it get?)
Thirty nights (uhh-huh) of violence (yeah)
And sugar to love Closer to the lung so
(I can, I can) shove her over railing You think it's easy I want you
It's not easy, look down, that's been closed Let me think (think about what?)
About girls (and what else)
And money and new clothes (and what do it get?)
Thirty nights (uhh-huh) of violence (yeah)
And sugar to love Closer to the lung
Closer to the lung
Shove her over railing
