Fall Out Boy

I'm gonna make you bend and break (It sent you to me without wait)

Say a prayer, but let the good times roll

In case God doesn't show (Let the good times roll, let the good times roll) And I want these words to make
things right

But it's the wrongs that make the words come to life

Who does he think he is?

If that's the worst you got, better put your fingers back to the key One night and one more time

Thanks for the memories even though they weren't so great

He tastes like you, only sweeter

One night, yeah, and one more time

Thanks for the memories, thanks for the memories

See, he tastes like you, only sweeter, oh Been looking forward to the future

But my eyesight is going bad

In these crystal balls

It's always cloudy except for

When you look into the past

One night stand

(One night stand) One night and one more time

Thanks for the memories even though they weren't so great

He tastes like you, only sweeter

One night, yeah, and one more time

Thanks for the memories, thanks for the memories

See, he tastes like you, only sweeter, oh (They say)

I only think in the form of crunching numbers

In hotel rooms, collecting page six lovers

Get me out of my mind

Get you out of those clothes

I'm a liner away

From getting you into the mood

Whoa One night and one more time

Thanks for the memories even though they weren't so great

He tastes like you, only sweeter

One night, yeah, and one more time

Thanks for the memories, thanks for the memories

See, he tastes like you, only sweeter, oh (One night, one more time)

One night and one more time

Thanks for the memories even though they weren't so great

He tastes like you, only sweeter

One night, yeah, and one more time

(One night, one more time)
Thanks for the memories, thanks for the memories
(For the memories, for the memories
See, he tastes like you, only sweeter
