Quiet and Small

Looper

She's very quiet and very small
In fact, she's hardly there at all
That's what she is
And what she is
And what she isI watched her climbing up a tree
And at the top she waved to me
That's what she did
And what she did
And what she didLa, da, da, da, da, da, da, da
La, da, da, da, da, da, da, da, daTonight before I fell asleep
I gave her all my songs to keep
That's what I did
And what I did
And what I didI dreamt of climbing up a tree
And at the top she waved to me
That's how she is
And how she is
And how she isLa, da, da, da, da, da, da, da
La, da, da, da, da, da, da, da, daShe's the smallest of all persons
Mentioned in the records of littleness
All but one
She's the smallest but one
She's only weeLa, da, da, da, da, da, da, da
La, da, da, da, da, da, da, da, da
