

# Holy One

## Rush Of Fools

Holy One  
From the birth of the trees  
To the start of you and me  
He's proven there's no limit  
To possibility  
There's safety, healings, and breakthroughs in Thee  
Holy One You are, Holy One to me.

Able One  
From the birth of the trees  
To the start of you and me  
He's proven there's no limit  
To possibility  
There's safety, healings, and breakthroughs in Thee  
Holy One You are, Holy One to me. (repeat and end)
