Everybody's Talking

Linda Eder

Everybody's talking at me
I don't hear a word they're saying
Only the echoes of my mindPeople stopping, staring
I can't see their faces
Only the shadows of their eyesI'm going where the sun keeps shining
Through the pouring rain
Going where the weather suits my clothes
Banking off of the North East winds
Sailing on a summer breeze
And skipping over the ocean like a stone
I'm going where the sun keeps shining
Through the pouring rain
Going where the weather suits my clothes
Banking off of the North East winds
Sailing on a summer breeze
And skipping over the ocean like a stone
Everybody's talking at me
Can't hear a word they're saying
Only the echoes of my mindI won't let you leave my love behind
No I won't let you leaveI won't let you leave my love behind
