Make A Wish

Conjure One

You can close your eyes it's over now
It's over now
You can close your eyes it's overBaby, baby, baby, make a wish
Tell me have you ever been afraid like this
It's over n-n-owI-I-I've seen it watching me
That misty thing without a face
It weaves my thoughts lined them up in black lace
It buries my shape and leaves no traceTomorrow I will have no shame
And I will start againMake a wish
Tell me have you ever felt alone like this
O-o-over nowBetter do it, sure
Just wishing
I could move in some moreTomorrow I will have no shame
And I will start againMake a wish
You can close your eyes, it's over now
Baby, I have never been afraid like this
You can close your eyes, it's over now[Incomprehensible]I took off my shoes
I took off my face
And then I undid the buttons on my dress
I will start againMake a wish
You can close your eyes, it's over now
Tell me have you ever been exposed like this
You can look into your mindBaby, baby, baby, feels like a kiss
You can close your eyes and start again
I bet you never thought that I could feel like thisTomorrow I will have no shame
Tomorrow I will have no shame
Make a wish
