

# Ride

## Billy Crawford

I'm gonna take you for a ride with me, tonight  
There's something that I want to say to you girl  
    Straight from my heart  
    I'll never gonna hurt you  
    Shake up your world  
    Like he's doing  
    Just tell him that you're busy  
    Got things to do  
    He won't be seeing you  
    I'll pick you up at seven  
    Take you to the heaven  
    'Cause girl  
I'm gonna take you for a ride with me tonight  
    It's just a little drive  
    Us two  
    So right  
I'm feelin' such a vibe with you so let's ride (tonight)  
    No need to fuss or fight  
    With you  
    Tonight  
    I'm gonna take you for a  
    Just tell me what you're feeling  
    Baby, I'd like to know  
    Straight from your heart  
Tonight, we're gonna be in a fantasy  
    So get in my car  
I know what you've been thinking  
    You're torn apart  
    But he don't treat you right  
    I'll be on time at seven  
    Gonna be in heaven  
    'Cause girl  
I'm gonna take you for a ride with me tonight  
    It's just a little drive  
    Us two  
    So right  
I'm feelin' such a vibe with you so let's ride (tonight)  
    No need to fuss or fight  
    With you

Tonight  
I'm gonna take you for a ride with me tonight  
It's just a little drive  
Us two  
So right  
I'm feelin' such a vibe with you so let's ride (tonight)  
No need to fuss or fight  
With you  
Tonight
