

Green Day

What brings you around?
 Did you lose something the last time you were here?
 You'll never find it now
 It's buried deep with your identity So stand aside and let the next one pass
 Don't let the door kick you in the ass There's no return from 86
 There's no return from 86
 There's no return from 86
 There's no return from 86
 Don't even try Exit out the back
 And never show your head around again
 Purchase your ticket
 And quickly take the last train out of town And stand aside and let the next one pass
 Don't let the door kick you in the ass There's no return from 86
 There's no return from 86
 There's no return from 86
 There's no return from 86
 Don't even try There's no return from 86
 There's no return from 86
 There's no return from 86
 There's no return from 86
 Don't even try
