

Electric Six

Electric Six

You!

I wanna take you to a gay bar,

I wanna take you to a gay bar,

I wanna take you to a gay bar, gay bar, gay bar. Let's start a war, start a nuclear war,

At the gay bar, gay bar, gay bar.

Wow! (Shout out loud)

At the gay bar. Now tell me do ya, a do ya have any money?

I wanna spend all your money,

At the gay bar, gay bar, gay bar. I've got something to put in you,

I've got something to put in you,

I've got something to put in you,

At the gay bar, gay bar, gay bar.

Wow! (Shout out loud)

You're a superstar, at the gay bar.

You're a superstar, at the gay bar.

Yeah! you're a superstar, at the gay bar.

You're a superstar, at the gay bar.

Superstar.

Super, super, superstar
