

# The Eyes of Horror

## Possessed

Lyrics : JB Music : MT  
Every night I see through  
Eyes  
Of a different lunatic  
And every night I fantasize  
In Trancial Mesmeric  
All alone inside my head  
Within my padded cell  
ruled by thoughts of  
Another Mind  
Controlled by unseen eyes  
In my mind I see the sun  
Plunge into the sea I listen  
To my  
Tales now I'll tell you what  
I see  
And so the corpse  
And the thrill  
My mind is wrapped  
nothing's real  
Do I dream  
Or is it true  
The piercing Scream  
She Never knew
