Look Who's Talking

Old Boy

Champagne, caviar
Hot boys at the bar
Looking at me, yeah
They're looking at meI was true to you
Just from my point of view
Now you're looking at me
Yeah, you're looking at meThey wanna give it to me
They wanna give it to me
I won't go for that
'Cause boy I had your backThis song is all about me
Damn right, it's all about me, yeah
(La la la la la la)
(La la la la la la)Hey, hey, hey
So look who's talking now
That's what this song's about, me
Yeah, yeah, yeah, yeahHey, hey, hey
Think you got me figured out
Well, look who's talking now, it's me
Yeah, yeah, yeah, yeahFast cars and bubble baths
High heels stepping on the gas
Looking at me
Yeah, they're looking at meDreamsicles melt away
I'm thinking every day
Looking at me
You're still looking at meI wanna give it to you
I wanna give it to you
But I can't go for that
'Cause boy it's in the pastThis song is all about me
Damn right, it's all about me
(La la la la la la)
(La la la la la la)Hey, hey, hey
So look who's talking now
That's what this song's about, me
Yeah, yeah, yeah, yeahHey, hey, hey
Think you got me figured out
Well, look who's talking now, it's me
Yeah, yeah, yeah, yeahControversy is like
A ticking time bomb
Controversy, it's what they want

Yeah, yeah, yeah, yeahGood news for me, it's about
What I spend my time on
Controversy is all they want
Yeah, yeah, yeah, yeahHey, hey, hey
So look who's talking now
That's what this song's about, me
Yeah, yeah, yeah, yeahHey, hey, hey
Think you got me figured out
Well, look who's talking now, it's me
Yeah, yeah, yeah, yeahHey, hey, hey
So look who's talking now
That's what this song's about, me
Yeah, yeah, yeah, yeahHey, hey, hey
Think you got me figured out
Well, look who's talking now, it's me
Yeah, yeah, yeah, yeah
