Iâ€™m Not Invisible

Awaken the Empire

When weâ€™re lost, their moment raises
Just sink and lose your way
There's no one there to find me
They all just look away

Cause I walk amongst the crowd,
Can't pretend I'm not around
Would you, would you?

Youâ€™re not invisible
I feel it in my soul, in my soul, in my soul
Youâ€™re not invisible
I feel it in my soul, in my soul, in my soul
You're not, you're not
Đ•very day you feel so helpless, every day you feel betrayed
Đ•very day you just can't hide
Someone save me
Đ•very day you feel so hollow
Someone call my name
I feel it in my soul, in my soul, in my soul
I feel it in my soul, in my soul, in my soul

They will let you be forgotten,
Theyâ€™ll let you fall of rain
There's no one there to catch you
Or call you up by name

Can we remark upon the crowd?
They can never stop us now
Would you, would you?

Youâ€™re not invisible
I feel it in my soul, in my soul, in my soul
Youâ€™re not invisible
I feel it in my soul, in my soul, in my soul
You're not, you're not
Đ•very day you feel so helpless, every day you feel betrayed
Đ•very day you just can't hide
Someone save me
Đ•very day you feel so hollow

Someone call my name

If you call me, you call me
Donâ€™t you ever close your eyes?
If you want, you want,
But you ever close your eyes
You're alive, You're alive
Don't you never close your eyes
You're alive, you're alive, you're alive
I feel it in my soul, in my soul, in my soul

Every day you feel so helpless, every day you feel betrayed
Every day you just can't hide
Someone save me
Every day you feel misguided, everyday you feel so small
Every day you feel like dying, you should know
Youâ€™re not invisible
I feel it in my soul, in my soul, in my soul
I feel it in my soul, in my soul, in my soul
