I Heard It Through The Grapevine

Colouring

Oh I bet you're wondering how I knew
'Bout your plans to make me blue
Some other guy that you knew before
???between the two of us guys????
Took me by surprise I must say
When I found out yesterday
Oh I heard it x4
I know men ain't supposed to cry
But these tears I can't hold inside
And loosing you ??????
Cause you mean that much to me
You should have told me yourself that you loved somebody else
Instead I heard it x3
Oh I heard it
I heard it through the grapevine x6

And I'm just about to lose my mind
I heard it through the grapevine x8
And I'm just about to loose my mind
Oh I heard it through the grapevine x7
And I'm just about to lose my mind
