Magic Shoes

The Main Ingredient

Ba-ba-ba-ba-ba
Ba-ba-ba-ba-ba
Ba-ba-ba-ba-ba
Ba-ba-ba-ba-baMy friends all said I'd never learn to dance
In fact, they said I didn't stand a chance
The dancin' contest, time to show them moves
Then I found these magic shoesOh...shocked the crowd when sparks flew from my feet
As I started groovin' with the beat
Oh, people better watch your Ps & Qs
`Cause I've got magic shoesOh...I feel it's now my turn to love
Their winning chance is less than half
The judges votes have all been cast
I come out first instead of lastPeople are amazed at my control
The secrets hidden underneath my soul
Oh, I've no longer got wallflower blues
`Cause I've got magic shoesOh...Ah...ah...ah...ah...People are amazed at my control
The secrets hidden underneath my soul
Oh, I've no longer got wallflower blues
`Cause I've got magic shoes
Magic shoes(Magic shoes)
(Magic shoes)
(Magic shoes)
(Magic shoes)(Magic shoes)
(Magic shoes)
