

# bad time

## How Sad

I'm in love with the girl that I'm talking about  
I'm in love with the girl, I can't live without  
I'm in love but I sure picked a bad time  
To be in love, to be in love  
Well, let her be somebody else's queen  
I don't want to know about it

There's too many others that know what I mean  
And that's why I got to live without it  
I'm in love with the girl I'm talking about  
I'm in love with the girl, I can't live without  
I'm in love but I feel like I'm wearin' it out  
I'm in love but I must have picked a bad time

To be in love

A bad time to be in love  
A bad time to be in love  
A bad time to be in love

All the stories coming back to me

From my friends and the people that I don't want to see  
The things you say, I know just couldn't be true

At least not until I hear them from you  
'Cause I still love the little girl, I'm talking about  
I'm in love with the girl, I can't live without  
I'm in love but I feel like I'm wearin' it out  
I'm in love but I must have picked a bad time

To be in love

A bad time to be in love  
A bad time to be in love  
A bad time to be in love

You know that I love the little girl, I'm talking about

I'm in love with the girl, I can't live without  
I'm in love but I feel like I'm wearin' it out  
I'm in love but I must have picked a bad time

To be in love

A bad time to be in love  
A bad time to be in love  
A bad time to be in love
