It's Gonna Be Alright (Mono)

Gerry & The Pacemakers

It's gonna be alright, alright, alright, it's gonna be alright

The day you came my way I knew I would stay
Close by your side to keep you satisfied,
It's gonna be alright, alright, alright, it's gonna be alright

When you look at me, in your eyes I can see
The love that grows each day, that's why I've gotta say
It's gonna be alright, alright, alright, it's gonna be alright

Never thought I'd find a girl like you
Now I have, I know I'll never be blue
It's gonna be alright, alright, alright, it's gonna be alright

Every time we meet my heart skips a beat
And now you're here to stay, you'll always hear me say
It's gonna be alright, alright, alright, it's gonna be alright

Never thought I'd find a girl like you
Now I have, I know I'll never be blue
It's gonna be alright, alright, alright, it's gonna be alright

Every time we meet my heart skips a beat
And now you're here to stay, you'll always hear me say
It's gonna be alright, alright, alright, it's gonna be alright

It's gonna be alright
It's gonna be alright
It's gonna be
Alright
