Life's A Gas

The Strokes

I could have loved you girl
Like a planet
I could have chained your heart
To a star

But it really doesn't matter at all
No it really doesn't matter at all
Life's a gas,
I hope it's gonna last

I could have built a house
On the ocean
I could have placed your love
In the sky.

But it really doesn't matter at all
No it really doesn't matter at all
Life's a gas,
I hope it's gonna last

I could have turned you
Into a priestess
I could have burned
Your fate in the sand

But it really doesn't matter at all
No it really doesn't matter at all
Life's a gas,

But it really doesn't matter at all
No it really doesn't matter at all
Life's a gas,
I hope it's gonna last

But it really doesn't matter at all
No it really doesn't matter at all
Life's a gas.
