

Deserved (feat. Gaye Arbuckle)

Anthony Brown & group therAPy

I just want to thank Him for His Grace
Thank Him for His mercy
I just want to thank Him for His love
And thank Him for being patient with me
(repeat)(CHORUS)
Cause I ain't been that good
I don't deserve to be here today
If you tell the truth
You know it should have been another way(CHORUS 2)
But aren't you glad God never gave you what you deserve
I'm so glad God never gave me what I deserve
