Matador

Garland Jeffreys

Take me to the Matador he will know just what it's for
Garland he will help me with my life he will open every door
Jeffreys when the bull is in the ring you need all the help you can
Matador and the Mariachis sing with the lonely mandoline
see those people shout out loud give me more and give me more
Songtexte and I'm thinking to myself take me to the Matador
Songtext
Take me to the Matador he will fill and ease my soul
Lyrics he will give me confidence when I think I've lost control
Lyric he will help me with my muse in the age of win and lose
Liedertexte with the ancient cup and sword and a hundred Spanish lords
Liedertext see one thousand violins golden trumpets soar on high
waves and waves of joyful hymns silver sonnets reach the sky
Alle fight the battles and the blues wars of love and wars of art
Garland tonight the cape is what I choose Goya's in my Spanish heart
Jeffreys
He will help me with my love dance the dance that lovers do
Matador rumba with the velvet glove 'neath the Barcelona moon
see one thousand violins golden trumpets soar on high
Songtexte waves and waves of joyful hymns silver sonnets reach the sky
Songtext
Take me to the Matador take me to the Matador
