

Swing on This

Alice in Chains

Mother said, "Come home"
Father said, "Come home"
Sister said, "Come home"
So my friends said "Come home" And I said, "Let me be, I'm alright
Can't you see, I'm just fine
Little skinny, okay
I'm asleep anyway" Then I heard a voice
Said "Son you have a choice"
I then slapped my face Let me be, I'm okay
I'm awake anyway
It's too bright over there
I can shift, cannot steer So I drive them away
For a while, then I stay
Little skinny, okay
I'm awake anyway Now I have to go home
Do as, when in Rome Let me be, I'm alright
Can't you see I'm just fine
Little skinny, okay
I'm asleep anyway Let me be, I'm okay
I'm awake anyway
