We Can Try

Between The Trees

What would you say if I told you that all I thought about
Is you since you've been gone?
I wish someway, somehow I could turn this world right back around
And mend mistakes I've madeSo that I could say to you thatI know things aren't quite like what they used to be
Different faces, different places
Yeah we can try, oh yeah we can tryWhat would you say if I told you that I'm not giving up
However long it takes?
It's clear that things have changed since when we started
But we can't lust walk away babeSo I'm telling you thatI know things aren't quite like what they used to be
Different faces, different places
Yeah we can try, oh yeah we can tryI know things aren't quite like what they used to be
Different faces, different places
Yeah we can try, oh yeah we can tryI know things aren't quite like what they used to be
Different faces, different places
Yeah we can try, oh we can tryI know things aren't quite like what they used to be
Different faces, different places
Yeah we can try, oh yeah we can tryI know things aren't quite like what they used to be
Different faces, different places
Yeah we can try, oh yeah we can try
