Save Me (BTS cover)

Margot D.R

Just wanna breathe now, lost in the night
Wanna wake up from this dream I don't like
I'm trapped in this scene and I don't feel alive
Don't wanna be lonley, just wanna be yours

Why is it so dark in here?
In this place where you don't exist
The danger is near
I'm ruined, I just can't stand this
Rescue me now
'Cause I can't even hold myself, hold myself

Son hear the beating of my heart
'Cause it's calling you, it's calling light
And in the dark, when I'm alone
I feel you all around, you're shining bright

Please give me your hand and just save me, save me
I need your love before I fall, fall
Please give me your hand and just save me, save me
I need your love before I fall, fall

Please give me your hand and just save me, save me
Ooh, oo oh
Save me, me, me
Please give me your hand and just save me, save me
Ooh, oo oh
Save me, me, me

Please give me your hand and just save me, save me
Ooh, oo oh
Save me, me, me

Please give me your hand and just save me, save me
(Ooh, oo oh)
I need your love before I fall

Ooh, oo oh
