

# Stairway To Heaven

## The O'Jays

Here we go  
Climbing the stairway to heaven  
Here we go  
Walking the road of ecstasy Taking the load  
Of this whole world off our shoulders  
The door is wide open for you  
The door is open for me Here we go  
Still in a moment of pleasure  
You and I  
We are gonna find the pirates treasure Here we go  
Oh baby, here we go  
Climbing the stairway to heaven  
Climbing the stairway to heaven And we are going step by step  
Together, step by step  
Climbing the stairway to heaven  
Climbing the stairway to heaven And we are going step by step  
Together, step by step Put your hand, lean closer  
Dont you wanna go  
Dont you wanna go  
In our own little corner of the world
