Not Beautiful Anymore

Porcupine Tree

You can be with somebody you like to be with
And just touch their cheek, or hold their hand
And it's the most beautiful thing in the world
You don't need sex under lsd
You don't have to, it's
I would think it's just
It's a weird tripI don't think that having children
Could make up for what
I'm gonna get out of it eventuallyYou can be with somebody you like to be with
And just touch their cheek, or hold their hand
And it's the most beautiful thing in the world
You don't need sex under lsd becuse,
Because you're so satisfied with just holding hands
That going for more than that isn't beautiful anymore
