Happy (Rui da Silva mix)

Lighthouse Family

Hey, what's happened to our lives?
When did you and me forget how to have a good time?
And we gotta get back to the life
That we forgot 'cause we got too much on our mindsHey, we got to make some time for the stuff that you can't buy
And get a life 'cause you know all that serious stuff ain't no funWho says you can't be happy all the time?
I know but I'm still gonna try
Hey let's all go out tonight
Why don t you and me go out and have a good time?
Make our life a supernatural high
Cause we're both leaving all that bad stuff far behindHey there's gonna come a time you kiss it all goodbye
So get a life 'cause you ain't got a clue when that day's gonna come
Who says you can't be happy all the time?
I know but I'm still gonna tryWho says you can't be happy all the time?
Say what you like but I'm still gonna try
Who says you can't be happy all the time?
I know but I'm still gonna try
Who says you can't be happy all the time?
I know but I'm still gonna tryWho says you can't be happy all the time?
Say what you like but I'm still gonna tryBut I'm still gonna try
But I'm still gonna try
