To Be With You

The Mavericks

A shoulder to cry on, someone to lean on
Someone to take you away
Someone to talk to and somewhere to walk to
I need to remind you some wayWhenever you need me, I'll make the time
To be with you, to be with youA night to remember the rain in September
I want to share it with you
The month by the ocean we swore our devotion
Would make all our wishes come trueWhenever you need me, I'll make the time
To be with you, to be with youI want you to know
I've never before felt this way
No other words can say
I was lost just yesterday until I found youWhenever you need me, I'll make the time
To be with you, to be with youA night to remember the rain in September
I want to share it with you
