

Shatter

Froth

Tell me if you think I'm wrong
I don't mind unless yr leading me on girl
Say the word I won't be here long
I think I'm going under
Sit still without a sound
Turn the switch to no sign of movement
Shattered but I want you around
Give me a voice of reason
Waiting for the birds to prey
Take my change so I can leave you curbside
Never should have gone away
Goes to show how much is done with yr hands tied
Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
